# CLASSIC - TRADITIONAL - MODERN

Discover a curated collection of classic, traditional, and modern Persian rugs—each piece a tribute to timeless elegance and rich cultural heritage.

These Persian rugs are crafted using high-quality **POLYESTER** and **COTTON FIBERS**, combining elegance with durability.

The use of polyester enhances the rugs' vibrant colors and smooth texture, while cotton provides a soft, breathable foundation. Together, these materials not only elevate the rugs' aesthetic appeal but also ensure long-lasting quality and resilience, making them perfect for everyday use in any room.
